

Gymnastics and Cheernastics Class Parents,

We will be holding our Annual Celebration! Show on Friday June 9th and Saturday June 10th at the Chambersburg Area Middle School South (CAMSS) at the corner of McKinley Street and Stouffer Ave. The rehearsal WILL ALSO BE AT CAMSS (see below) **While there are three shows, each class performs in only one show.** If your son or daughter takes more than one class you have the option of them participating with all classes or picking only 1. Shows are split due to the number of children who participate so that each show is between an hour and an hour and a half long. This makes participation much easier on the younger children in particular.

The show times will be as follows:

Friday, June 9th 6:30 PM; Saturday, June 10th 11:00 AM and Saturday June 10th at 2:00 PM

Specific show breakdowns (class assignments) and arrival times etc. will be available around the end of April/beginning of May. If you have a preference on a show day and/or time, please let us know and we will do our best to accommodate you. However, due to the many requests that we get and the large number of children who participate, it is not possible to accommodate all requests. Each age group (tots, tiny tots etc.) does the same routine so that we can change which show your child would participate in if needed. It would be the same routine but with different children. We also have a number of siblings in our program, if they have been split into different shows and you want them to be in the same show, contact me right away and we will make changes if possible. If you do not mind your children being in separate shows and coming to more than one show, you will pay the admission fee only once.

Everyone will have a rehearsal on **Thursday June 8th at CAMSS**. A rehearsal schedule will be available when the show break down is handed out.

Rehearsal will begin with the march-in and then rehearse each group's routine from the youngest children to the oldest so that younger children can leave as early as possible.

We have already received many of the “try on” outfits that are the exact style worn for the show. We will size the children in these at the beginning and/or end of classes over several weeks. They will try it on over the leotard they wear to class. We always size the children with room to grow, as long as there is no gapping and it looks nice. If your child falls into a between size, we will ask that you look at it and make the decision.

Classic Photography will be taking individual pictures at rehearsal if you are interested. This is a reputable company that we use for our team pictures and the last 3 years for our Annual Show. Your picture(s) will be mailed directly to your home, so it is important that you provide **ALL INFORMATION asked for on the envelopes you will be receiving**. Pictures will be taken before and/or after your child’s rehearsal of the group routine. You will be directed when and where to take your child(ren) for pictures. We will provide a small beam and/or a mat/block for posing along with one of our staff members to help with posing. If you would like your child’s picture taken, you may pick up an order form at the gym (extra ones will also be available the night of rehearsal). Classic Photography has a large variety of packages and novelty products to choose from. **You will need to complete the order form and pay for your pictures by Thursday at rehearsal**, please come prepared with your check book, cash (exact change) or credit card information on the package form. There is also a code that you can scan to pay in advance. Pictures will be mailed directly to you within approximately 2 to 3 weeks.

If you are having pictures taken, your child(ren) should either bring their show outfit or come dressed in their show outfit. **If you are not having pictures taken they may wear any other leotard or shorts/tee.** Pictures of siblings and friends can be taken, but a separate envelope is required. Families who have both class and competitive team and class children or families with children/friends/cousins etc. can have a picture taken together, however these types of pictures may have to wait a bit longer.

On the back will be the names of all of the children who participate in all of our programs. Tee Shirts are \$15.00 and must be paid in full and ordered in advance by April 16th.

Your support is greatly appreciated!

Some of our children have been with us for many seasons, some began this season and some just within the month, our purpose and goal of having our Annual Show is that each and every one of these children has a great time and a positive experience performing for their family and friends! Having our competitive teams perform also gives you and the class children the opportunity to see what some of our former class gymnasts and cheerleaders have accomplished with hard work and dedication. We are looking forward to great shows! Please let us know if you have any questions.

Mr. Rod and Lefty
